Interview Followup for Software Engineer Internship
Dear Jie, Lukas and Eric,

I just wanted to thank you again for taking the time to interview me as a
candidate today. I hope my passion for open source showed during the interview.
I would love for the opportunity to work for a company that does so much for
the community that I care so deeply about. I look forward to hearing back from
you soon.

Sincerely,

Kevin Mok

P.S. Here are links to the Watson issue/pull request and a sample StackExchange
question that I talked about in the interview.
