Acceptance for Software Engineer Internship
Dear Jie,

Thank you for offering me the position of Software Engineering Intern. I am honored to be given the opportunity to work at Red Hat. I am enrolled in the PEY program, and there is no need for me to visit the office again; Red Hat is the company I want to work for out of all others. I very much look forward to meeting the rest of the team and start working on May 11th, 2020. If there is any additional information or paperwork you need prior to then, please let me know. Thank you again.

Sincerely,

Kevin Mok
